 2020, that's a wrap! We are honored to have helped 85 families and individuals find their dream home. It's been a true pleasure and we are grateful for the trust. 🙏

☑️ The real estate market has been the most unpredictable in 2020, with many twists and turns. Despite this, we stayed proactive and pivoted our business model, achieving record prices for our sellers and negotiating the best deals for our buyers. Ultimately we surpassed our 2020 real estate goals. Most importantly we made some good friends along the way.

💬 This year made me realize a few things...

[Redacted] 🤔 How did the pandemic impact the preferences and experiences of buyers and sellers this year?

Buyers sought multi-generational homes and sellers used incentives to sell their homes faster.

According to @realtor, here is the 2020 Profile of Home Buyers and Sellers. 🏠
