Subject: "[High Speed Internet] said we should connect"

Dear Mr. Steve Watson,

My name is Harish Jangid and I am a Fiber specialist at **Thunder Speed - Fiber Solutions** to assist clients with Fiber-based Internet access for Data and Voice services, SD-WAN, and Cybersecurity solutions. I am reaching out to see if you have time on your calendar for a brief call to discuss your current network configuration.

We offer **High Speed Internet connectivity** at the **lowest price**.

What is your availability sometime next week for a quick phone call? I look forward to speaking with you soon.

Best Regards,
Harish Jangid
