

## ***Personalized message to be sent to Prospective client for editing software***

Hi Mr. Smith,

I've been following the work you've been doing for your Youtube Channel in the last few months, and I'm very impressed with the results achieved in such a short time! I would love to chat more and tell you about the [editing software](#) that we have recently released specially for **editing and rendering high-resolution videos**.

Best regards,

Hi Mr.Smith,

Thanks for connecting, it's great to have you now in my network.

One of the best ways to get to know each other better is probably through the [content](#) we share. I saw your new video, and I like the **awesome storyline and the dialogues** of all characters in the video.

***Follow up message when the request is not yet accepted***

Hi Mr. Smith,

Not sure if you've seen my last message, but I'm going to make this one super quick in order not to waste your time.

I'm **100% confident** that my Software will prove to be beneficial to you because we have developed it for quick editing and with [youtube friendly templates](#).

Let me know, I'm super interested to hear your thoughts!

Best regards,

Shaikh Areeb
